

IOWA TRIBE OF OKLAHOMA VOCATIONAL REHABILITATION

TRANSITIONAL SERVICES

The Iowa Tribe of Oklahoma Vocational Rehabilitation Program has provided vocational services to Native Americans since 1994, and transition services to students since 2004. For years, our goal has been to empower Native American students with disabilities, consistent with their individual strengths, resources, priorities, concerns, abilities, capabilities, and informed choice, to prepare for the transition from school to work or post-secondary school.
